W&N Professional Acrylic provides a big step forward in brilliance, thanks to combination of single pigments. The highest pigmentation levels and revolutionary new transparent binder that ensures no colour shift from wet to dry. Professional Acrylic is also formulated to have a slightly longer working time on the palette without compromising the convenient drying time of acrylics.

\*APPLIES TO PRODUCT BRANDED 'ARTISTS' ACRYLIC' OR 'PROFESSIONAL ACRYLIC'

THE SAME OUTSTANDING QUALITY. A BRAND NEW LOOK.
